Dear Comrades

SUB : Secretariat Meeting scheduled on 10/3/2013 -  
Intensification of ongoing agitation – reg.

Due to huge work pressure, many unit leaders have intimated their inability to attend the Secretariat Meeting of ITGOA scheduled to be held on **10-3-2013** at Mumbai but informed that the ongoing agitation should be continued till the resolution our genuine and just demands. Many units have given their views through telephone/email that the agitation should be further intensified and also suggested new modes of agitation.

I would like to congratulate all the units for the successful implementation of the agitation and the CBDT has not taken any concrete steps to resolve our issues. In this scenario, it is felt that the agitation against the unjust and partisan attitude of the CBDT is to be further intensified and all the units are requested to send their views regarding further intensification of the agitation and modes of agitation on or before 15/3/2013.

Yours faithfully,

**Sd/-**
