Dear Friends,

Cyclone 'Yaas' has left a devastating trail through the coastal areas of East Midnapore, South and North 24 Parganas. More than 4,500 villages have been reported to be damaged. Various rural habitations and agricultural lands took a hit, and basic needs like food, drinking water, sanitation, etc. have also become a scarcity, causing havoc on the lives of people of the areas ravaged by the cyclonic storm. All this came when the second wave of Covid 2019 is still tormenting the populace throughout the Country.

Friends, it's now time to rush immediate succour to our hapless compatriots. In fact, the magnitude of the destruction is so massive that the relief measures of the government agencies must be supplemented by individuals/NGOs to save the lives of people. Hence, in keeping with the tradition set out by our illustrious predecessors at the time of 'Aila', 'Amphan' and other natural calamities, we have decided to organize relief work at least, at one point each of the affected three districts of 24 Parganas (South), 24 Parganas (North) and East Midnapore, without losing much valuable time.

This humanitarian work would be possible only if we reinforce our organisation's fund by contributing as generously as we can. Let's stand in solidarity with our hapless fellow citizens and try to bring some solace to as many as possible. Willing members may send their contribution to the following Accounts:

1. Income Tax Employees' Federation, Bengal Circle
A/c No.1392101015041, IFS Code CNRB0001392
Canara Bank, Hare Street Branch, Kolkata.
2. INCOME TAX GAZETTED OFFICER'S ASSOCIATION(W.B.UNIT)
A/c No.34855759892. IFS Code SBIN0001971
State Bank of India, Esplanade Branch.

Thanking you,

Comradely Yours,
