There was considerable improvement and the 7<sup>th</sup> Central Pay Commission heard us. 7<sup>th</sup> Central Pay Commission has given enough time for us.

We have successfully highlighted the problems, and gross injustice to the Gazetted Officers because of our Strength. We are achieving a greater Unity with the JCM Staff Side Organisations. Broad Understanding on all major issues like minimum wage, increment, all allowances, fitment formulae, fixation benefit and other terminal benefits has been reached..

This time we worked hard to highlight the specific issues of Gazetted Officers before the pay Commission. He stressed the need for building the Gazetted Officers movement in the Central Government, simultaneously, strengthening the common movement of Employees.

On behalf of the Host Unit Shri.Saionton Bannerjee, Secretary Income Tax Gazetted Officers Association (ITGOA), West Bengal has given vote of thanks to inaugural session.

After Lunch Hour, Shri.S.Mohan Convenor submitted his report which briefly elaborated the activity of the Confederation for the last one year in the background of International national, present economic scenario with agrarian crisis prevailing in this great country. Dear Friends,

The 7 CPC has categorically stated that the date of effect would not be 1.1.14 as we demand, but would be effective from 1.1.2016, despite the fact that nobody has any idea what would be the Consumer Price Index (CPI) on 1.1.16. The prices as on 1.1.2016 would be presumed and the minimum wage would be computed on that presumption. The employees and Officers have been put to a great loss when the DA merger and IR were denied. The overall attack on the Employees and Officers and the common man is on the rise irrespective of which party or combination of parties are in power. All these dispensations compete with each other to serve the mighty corporate, not the people who voted them to power. This has led to a situation where there is an increase (26%) in the suicide of farmers during the last one year compared to the previous one. The Trade Union Act is getting amended, contractisation and casualisation of jobs are on the increase - making the great enactment by the Parliament on abolition of contract labour a idle piece of legislation. New challenges are thrown before the Trade Unions, Unions and Associations. Every day new offensives are seen. The Historical necessity is on the shoulders of the Gazetted Officers to build a strong CCGGOO to resist all the attacks and to join in the main stream movement.

Yours Fraternally,

S.Mohan  
Secretary General
